No exceptions will be made on initial class placement. Each student is then continuously evaluated throughout the year and moved to another class when appropriate by the Instructor or School Director.

All new students will need to contact the School to see if a placement evaluation is required. Students with no previous classical ballet training can be placed without an evaluation. Evaluations may be scheduled online at <http://www.meetme.so/balletmemphis>

You may register by phone, in person at the Midtown location, or online. Our classes fill up quickly, so please reserve your child's place in the desired class with a 25% tuition deposit. This deposit is only refundable up until seven (7) days preceding the beginning of each semester. No refunds will be given once the semester begins.

The remaining tuition may be paid in full or scheduled monthly on a credit card of your choice for a 5% discount by the start of the semester, or monthly payments may be made at the regular tuition rate.
